The screenshot shows the 'Facility Condition View' interface. It features a table with columns for 'Submit Date', 'School', 'Department', 'Building', 'Room', '701 Resto...', '701 EVIDENCE', and '701 COMMENTS'. The table contains several rows of inspection data, including dates, school names (Highland Middle School, Lower Middle School, Central High School), departments (Restroom Inspection, Cafeteria), buildings (Wing 700, Cafeteria), and rooms (700 Boys Restroom, 700 Girls Restroom, Cafeteria Boys Restroom, Cafeteria Boys Restroom, Cafeteria Girls Restroom, Cafeteria Girls Restroom). The '701 Resto...' column shows status indicators like 'Poor', 'Good', and 'Fair'. The '701 EVIDENCE' column contains text descriptions of issues, such as 'No foul odor' or 'No debris on the floor'. The '701 COMMENTS' column contains additional notes, such as 'Small near urinals'.
